

MEDICAL PROFESSIONAL INDEMNITY COVER

PURPOSE

The purpose of this policy is to ensure that applicable MHR healthcare professionals, porters and care workers have adequate Medical Professional Indemnity cover.

SCOPE

This policy applies to

- MHR Office Personnel
- MHR Panel Members
- MHR Clients

DEFINITIONS

Term	Definition for the purpose of this policy
Healthcare professionals	Nurses, Pharmacists, Pharmacist's Assistant, Pharmacist Intern, Paramedics, Biokineticists, Operating Room Practitioners, Occupational Therapists, Physiotherapists, Radiographers, Advanced Life Support (ALS), Intermediate Life Support (ILS), Basic Life Support (BLS), Critical Care Assistant (CCA), Emergency Care Assistant (ECA), Emergency Care Technician (ECT), Emergency Care Practitioner (ECP), Emergency Resource Officer (ERO), Support Resource Officer (SRO), Inter-facility Agents, and Flight Desk Officers.
Medical Professional Indemnity cover	Medical Professional Indemnity covers a panel member against liability claims arising from the incidental death or injury of a patient due to negligence or alleged negligent action during treatment.
MHRM	MHR Management system.

POLICY STATEMENT

- All healthcare professionals, porters and care workers who are working at **Mediclinic or ER24 clients**, are covered by the client's insurance.
- Healthcare professionals, porters and care workers who are working at **non-Mediclinic/non-ER24 clients** need to take out individual Medical Professional Indemnity cover at a provider of their choice and submit certified proof of cover to MHR.

MHR recommends the following minimum cover per job description:

Minimum R2.5 million	Minimum R5 million	Minimum R10 million
Care workers	EN	Midwives
ENA	PN	
BLS	Pharmacists/Assistants	
All other healthcare panel members not listed in this table	ALS	
	ILS	

- Medical practitioners (Emergency Centre Doctors) who are working at **Mediclinic and/or non-Mediclinic clients**, need to take out individual Medical Professional Indemnity cover at a provider of their choice and submit certified proof of cover to MHR.
- Renewal of indemnity cover is the responsibility of the panel member and failure to provide certified proof of renewed cover could lead to the temporary suspension on MHRM.
